### *Attention*

*We are concerned for the safety of everyone (especially the children) along the parade route, and therefore we are urging participants in the parade to refrain from throwing any items from moving vehicles.*

*If candy or other items are to be given out, please have someone walk beside the Float or vehicle and hand these items out.*

*We also request no sirens being blown during the parade. We need to know that a siren blowing means there is an emergency and they need to get through traffic.*

*Thank you,  
The Parade Committee*
